## Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) (application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 0 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 0 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) system (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (703) 305-1383. Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to appreciate the advantage offered by semiconductor light emitting device with the following distinctive features such as set by all of the independent claims. In particular, the art of record fails to teach or fairly suggest constructing the semiconductor light emitting device chip is connected to the mount surface of the mount member by solder between the semiconductor light emitting device chip and the mount surface of the mount member, wherein the mount surface is curved to protrude and the semiconductor light emitting device chip is curved along and connected to the mount surface, and the mount member includes a material higher in thermal expansion coefficient than a material for the chip substrate possesses all of the distinctive features such as defined by independent claims 1, 2, 10, 13, and 16 to make the stack of the semiconductor light emitting device chip is subjected to an increased compressive stress which decreases threshold current of the semiconductor light emitting device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
